Dear Stan,

I regret to say I am returning all the coins you sent us with the exception of the 1870 \$10 and 1854D \$2.50 and have enclosed our check in payment of these. + 1858 5

As I have repeatedly said, our customer is fussy and these coins are either overrated as to condition, or above catalogue in either case he refuses to accept them. Enclosed is a list of the coins being returned.

Cordially yours,

Charles French.

Our customer needs the 1795 \$5 if strictly very fine, but is not disposed to pay more than \$1000 for it. He can also use the 1871 \$5 fine, at the \$140.00. He will be away on vacation for the next tendays so don't hurry sending the one or both, until he gets back.

Cordially

Charles French.

Dea Charles: Enclosed: 1795 VF at 1000 gpd. 1871 \$5 at 140. With the 1795 Redbook at 1450, 1000 is a steal. The 1871 at 140 is a good buy too as it is a very rare date.
